**Clinic and competition Information**

All paddlers entering the clinic must fill out a skill level questionnaire 2 weeks prior to entering the clinic.

Paddlers who register for the clinic will receive a 2-day clinic with Jackson sponsored boaters and one free entry into the Midwest Freestyle Championships (lunch will be provided all 4 days). All **competitors** will also be entered into a drawing for a **new Jackson kayak** of their choice (certificate)! **Other prizes will also be drawn. The drawing will be held following teardown on Sunday. Must be present to win.**

The paddler who wins the beginner and intermediate recreation class must move up in class the following year. This includes the 08 winner.

**In this 2009 event women can enter the freestyle expert / intermediate / beginner classes.**

**Teams for the team event will be chosen at random.**

Please check the box for the class you are entering. **You must check at least one class when registering, but you do not have to compete if you just want to come to paddle on the course recreationally for the weekend and enjoy the water, food, and fun. Please fill in registration form completely to assure that you are fully registered. Missing data could cause you to be omitted in the competitor database.**
