**Wausau Whitewater Midwest Freestyle Event List:**

**Freestyle events:** Scoring is based on best of 2 - 1 minute rides. **Keep in mind women can compete with the men in freestyle expert / intermediate / beginner classes. There is also a separate Women's class.**

**Team Event – Teams will be selected at random Saturday night. Experts will be divided up separately so we do not have more than one expert on a team. The intermediates will be paired with any possible beginners registered to compete in this event. This event will be held at “Little Drop”.**

Teams consist of three registered boaters. Competitors must participate in individual events to qualify for team eligibility. The team with the highest score wins. There are no classes, any and all mixed boat, gender and age groups are allowed to compete in a team. All boaters must pre-register and pay event fees prior to Saturday **8/21/10** for eligibility.

**Team Rodeo Scoring:**

Standard rodeo scoring applies. Team competes as a three member team. Each team member must enter the wave or hole feature. Each team has 2 minutes and a single run to score as many points as possible. There will only be an award for the 1<sup>st</sup> place team in this event.

[Please see the Wausau Whitewater park home page for rodeo scoring.](#)

**Boatercross Event:**

All boaters to line up **out of the water** with boats near the start line. We will send 5 boaters at a time into the water to race. **The winner of the heat must line back up immediately.** You must use the same boat you compete with in the other events. If you are not competing in the freestyle event only river running and freestyle boats are allowed

**Other event notes.**

- Free Camping next to the Whitewater Park (**no camp fires allowed**).
